

Xerox[®] DocuMate[®] 3125 Scanner

Fast, affordable and compact scanning for documents and more.

Features

- Compatible with PC and Mac[®]
- Scans plastic cards through the ADF
- One touch scanning to multiple applications
- Image enhancement software
- Create searchable PDF files to make it easy to find scanned documents
- Ultrasonic double feed detection
- 25 ppm / 46 ipm at 300dpi

TAA Compliant

BE MORE PRODUCTIVE

The Xerox[®] DocuMate[®] 3125 color desktop scanner quickly converts your documents, plastic cards and forms into digital files, then securely saves them on your computer or in the cloud ready to be accessed another day when needed. It can scan up to 46 images per minute (ipm) in duplex and includes a 50-page Automatic Document Feeder (ADF) that handles everything from business cards to A4/Letter size documents. The Xerox[®] DocuMate[®] 3125 has an exceptionally small footprint and will fit comfortably on any desk (especially when folded closed). It is the perfect solution for organizations that need to quickly convert paper documents into searchable PDF files to be shared, organized and protected.

Advanced certified TWAIN[™] and ISIS[®] drivers allow you to communicate with hundreds of Enterprise Content Management (ECM) and Document Image Management (DIM) software solutions making the Xerox[®] DocuMate[®] 3125 perfect for any office environment.

SCANNING AT THE TOUCH OF A BUTTON

The Xerox[®] DocuMate[®] 3125 scanner allows users to scan to the “destination” of their choice by pressing a single button, eliminating the multiple steps usually required to save scanned

documents in popular file formats. Simply select one of 9 preset (yet completely user configurable) destinations, and your documents will be scanned with the correct settings for resolution, color, cropping, and file format. Final images are delivered to virtually any application, folder or device – all at the touch of a button.

SCAN WITH CONFIDENCE

Take a random stack of documents from your desk. Unless they came directly from a laser printer, they probably have a few marks on them, highlighted notes, stamps, wrinkles or smudges. The DocuMate 3125 includes software that enables your scanner to instantly improve the visual clarity of every document that you scan. It intelligently adjusts every page after being scanned to a crisp and clean image. And it not only improves image quality for the human eye, but the computer’s eye as well. Since OCR results are directly related to the clarity of scanned text, OCR accuracy is dramatically increased when you improve image quality.

MULTIPLE PLATFORMS

For Mac users, the Xerox[®] DocuMate[®] 3125 includes a fully featured TWAIN driver, ICA support, and a simple yet powerful Scan Utility, allowing you to get started right out the box.

Xerox® DocuMate® 3125 Software Solutions

VISIONEER® ONETOUCH®

OneTouch is an easy-to-use utility that connects the Xerox® DocuMate 3125 with a powerful set of scanner settings to greatly improve the efficiency of your workflow — so that with one touch the document is scanned automatically to email, Microsoft® Word, your printer, a file folder, or to one of many cloud destinations.

VISIONEER® ACUITY

Acuity, in combination with DriverPlus technology, enables your scanner to instantly improve the visual clarity of every document that you scan. Using advanced algorithms and technology, Acuity will intelligently correct documents containing imperfections, improve quality of scanned images for archiving, increase OCR accuracy, and save time.

VISIONEER TWAIN DRIVERPLUS

DriverPLUS offers an impressive array of settings to enable precise customization of the scan — far beyond current TWAIN specifications and user experience. DriverPLUS also delivers Parallel Scanning, allowing multiple same-model scanners to be connected to a single PC and run concurrent jobs. Visioneer Acuity integration adds intelligent image enhancement and PC Optimization to enable full-speed scanning.

OCR AND PDF SOFTWARE

This leading, easy-to-use OCR application reduces the need of retyping and paper storage, precisely preserving the original document's layout and formatting while converting your scans into various file formats, including searchable PDF. PDF features allow you to create, convert, edit, and securely share PDF files. The resulting text can then be used in virtually any word processing, desktop publishing or web publishing program.

DOCUMENT ORGANIZATION

To simply managing your scans, a document organizer combines the efficiency of document management, the convenience of high quality scanned documents and the power of creating PDF files, adding a new level of productivity in managing documents.

MAC TWAIN™

The Mac TWAIN driver offers all of the features of Acuity Image cleanup built in. No 3rd party software needed. Blank Page Removal, Auto Color Detect, Auto Rotate are just a few of the standard features. It also includes a digital endorser to add text to your images, the ability to read barcode data (3rd party software required to interpret barcode data), and Merge two sides.

VISIONEER SCAN UTILITY

If there is no scanning application on your Mac, a simple but effective scan utility is included, allowing you to take full advantage of all of the drivers' features. Simply put, set your driver preferences, select an image format (BMP, JPG, GIF, PDF, MPDF, TIF and MTIF), choose where you want to save your images to, and start scanning.

BOX CONTENTS

- DocuMate 3125 Scanner
- Spare ADF Pad Assembly
- Power Cords
- USB Cable
- Power Supply
- Quick Installation Guide
- Technical Support Card
- DVD-ROM including:
 - User's Manual
 - Third party OCR and Organizer software
 - Visioneer® OneTouch®
 - Visioneer Acuity with DriverPLUS
 - Scanner Drivers: TWAIN, EMC® Captiva® ISIS® and Microsoft Windows® Image Acquisition (WIA) Driver

SYSTEM REQUIREMENTS

PC

- Pentium® IV or equivalent processor
- Compatible with:
 - Windows 10 Pro, Home, Enterprise and Education
 - Windows 7 Pro, Home, Enterprise and Ultimate
 - Windows 8/8.1 Pro, Core and Enterprise
- 2GB RAM
- 350 MB available hard drive space
- DVD-ROM drive
- USB 2.0 port

Mac

- 1.83 GHz or faster Intel® Core processor
- Mac OS® X v10.6 – 10.11
- 2GB RAM
- 350 MB available hard disk space
- DVD-ROM drive
- USB port

Xerox® DocuMate® 3125 Product Specifications	
Model Number	XDM31255M-WU
Scan Speed	38 ppm / 66 ipm: 200 dpi b&w, grayscale, color
	25 ppm / 46 ipm: 300 dpi b&w, grayscale, color
Scan Method	Contact Image Sensor (CIS)
Light Source	LED
Optical Resolution	600 dpi
Output Bit Depth	24-bit color, 8-bit grayscale, 1-bit black & white
Interface	Hi-speed USB 2.0 (3.0 compatible)
Supported Formats	BMP, JPG, Gif, PDF, MPDF, TIF and MTIF
Detection	Ultrasonic double feed detection
Dimensions (paper trays extended)	11.2"(w) x 18.5"(d) x 12.8"(h) (285 x 470 x 325 mm)
Dimensions (paper trays folded)	11.2"(w) x 6.7"(d) x 6.5"(h) (285 x 170 x 165 mm)
Weight	5.1 lb (2.3 kg)
ADF Minimum Document Size	2" x 2" (51 x 51 mm)
ADF Maximum Document Size	8.5" x 38" (216 x 965 mm)
ADF Capacity	50 pages (20 lb., 75-80 g/m ² paper)
Document Thickness (min-max)	7 - 110 lb (28-413 g/m ²)
Duty Cycle	3,000 pages/day
